1. On the Billing Information page in the Settings, click the **Upgrade** button
2. Select a period for subscription and click the **Proceed to Checkout** button. You will be taken to the **Shopping Cart** page.
   If you choose to upgrade to the Business Plan, you can select the number of users who will be managing content in your account.

3. Follow the instructions on each page of the shopping cart to complete your order.
4. Click **Back to iSpring Cloud** to return to your Cloud account.

Congratulations, you have successfully renewed your subscription.

Note: Auto-Renewal option is turned on for all paid accounts. You can disable the auto renewal at any time by clicking the **Cancel auto-renewal** link at the bottom of the Billing Information page. If auto renewal is off, you will not be billed again and the subscription plan will automatically downgrade to a free plan at the end of your billing cycle.
