

Activating iSpring Suite License

To start using iSpring Suite without the trial period limitations, you need to obtain a product license and activate it.

- [Online Activation](#)
- [Manual Activation](#)

1. If you already have the iSpring Suite license, enter your license key and click **Next** to proceed with entering **Registration Details**.

To purchase the iSpring Suite license, click **Purchase Online**.

The image shows a screenshot of the 'iSpring Suite Activation Wizard' window. The title bar reads 'iSpring Suite Activation Wizard'. The main content area is titled 'Enter License Key' and contains the instruction 'Copy and paste the license key you received after the purchase of your iSpring license'. Below this is a text input field with a placeholder license key: 'XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX'. To the right of the input field is a link that says 'Don't have a license key? [Purchase Online](#)'. At the bottom of the window are four buttons: '< Back', 'Next >', 'Cancel', and 'Help'. The 'Next >' button is highlighted with a dashed blue border. There is also a small icon of a key with a green checkmark in the top right corner of the main content area.

2. At the next step, you can specify the user's name and the company name. This information will be displayed in the **About** window of iSpring Suite.

The image shows a Windows-style dialog box titled "iSpring Suite Activation Wizard". It has a standard title bar with a close button (X) in the top right corner. The main content area is titled "Enter Registration Details" in bold, with a subtitle "These registration details will be displayed in your iSpring product" below it. To the right of the subtitle is a small icon of a yellow key with a green checkmark. Below this, the text "This product is registered to:" is followed by two text input fields. The first field is labeled "Name:" and contains the text "John Smith". The second field is labeled "Company:" and contains the text "iSpring". At the bottom of the main content area, there is a checkbox labeled "Attempt to activate my license online now" which is checked. At the very bottom of the dialog box, there are four buttons: "< Back", "Next >", "Cancel", and "Help". The "Back" button is highlighted with a blue dashed border.

Online Activation

The fastest way to activate the license is to go through the online activation procedure. To do it, keep the **Attempt to activate my license online now** option checked and click **Next**. Online activation requires an active Internet connection. It usually takes just a few seconds to complete the online activation process.

After successful activation, you will see the number of remaining activations and the total amount of the allowed activations for your license.

Manual Activation

To perform offline activation:

1. Clear the **Attempt to activate my license online now** checkbox, enter your registration information and click **Next**.
2. Choose **Activate the license manually** and click **Next**.

iSpring Suite Activation Wizard

License Activation
Select one of the following ways to activate the license

☐ Activate the license via the Internet now (recommended)
The activation process requires active Internet connection and usually takes a few seconds.

☒ **Activate the license manually**
Use manual activation when no Internet connection is available.

☐ Activate the license later
The trial watermark will be added to each generated presentation until the license is activated.

Activation process should be complete within 3 days after you entered the license key. If the license is not activated within this period, an evaluation watermark will be added to your presentations.

The license activation binds the product to a given computer and its operating system. As the number of the allowed activations is limited, you should [deactivate a previously activated license](#) in case you want to reinstall the operating system or activate the license on another computer. This way you will not lose your activations.
