# Publishing Presentations to LMS

To prepare a package for a learning management system, follow the **Publish to LMS** instructions.

To package a presentation for a learning management system:

1. Type a name for your output Flash or HTML5 file in the **Presentation title** field.
2. Specify a local folder or a network share, to which you want to save the presentation, in the **Local folder** field:
   - type a path to the destination folder manually, or
   - click the **Browse** button on the right of **Local folder** field, browse for the folder, select it and click **OK**.
3. Configure Learning Course settings.
4. Click the **Publish** button to publish your presentation.

When the Publish process is complete, a new window that shows a preview of your presentation will open.
