- 4. Check the box Uploading source files if you would like to upload the source files to iSpring Learn.
- 5. Click the Publish button.

iSpring Converter will convert your presentation to Flash and HTML5 and then upload it to your iSpring Learn account. This is a time consuming process and it may take a few minutes.

Manual Upload

If you don't have Internet connection or you use Proxy server to publish the presentation, you can upload the presentation to iSpring Learn manually:

1. Choose Manual Upload in the Account drop-down list.
