

Changing License Key or Registration Info

To enter another license key or change the registration information please perform the following steps:

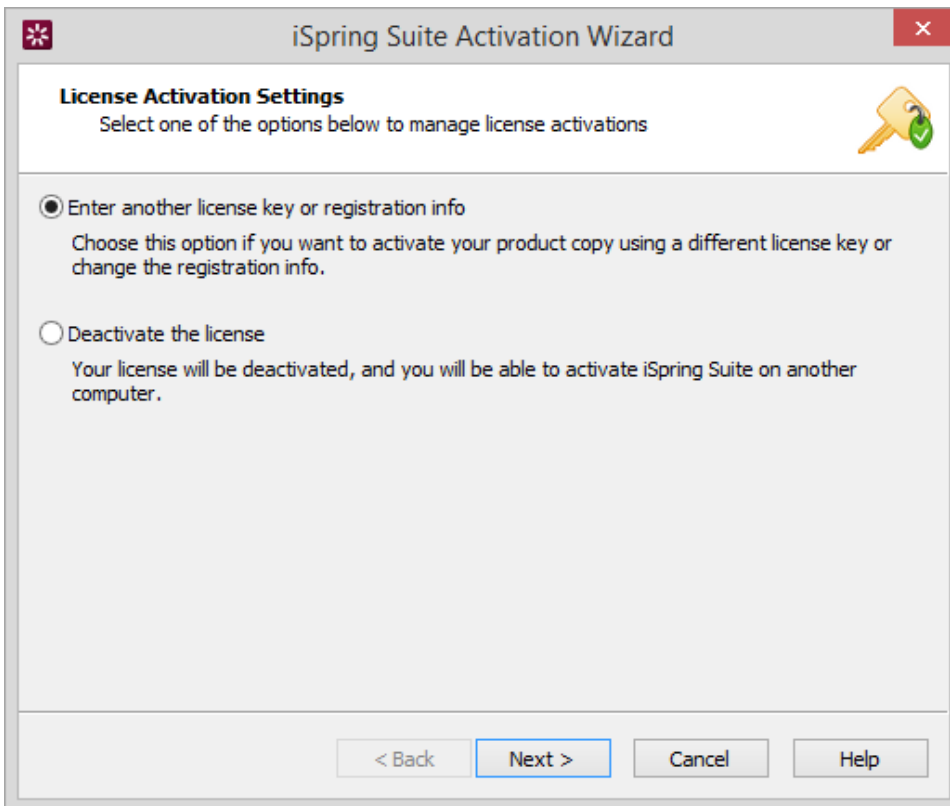

1. Click **About** in the Information section of the iSpring Suite toolbar.

2. Click **Change License key** to run the iSpring Suite Activation Wizard.

3. Choose **Enter another license key or registration info**. Click **Next**.

The screenshot shows the 'License Activation Settings' window of the iSpring Suite Activation Wizard. The window has a title bar with the iSpring logo and a close button. The main content area has a header 'License Activation Settings' with a key icon and a subtitle 'Select one of the options below to manage license activations'. There are two radio button options: 'Enter another license key or registration info' (selected) and 'Deactivate the license'. The first option has a description: 'Choose this option if you want to activate your product copy using a different license key or change the registration info.' The second option has a description: 'Your license will be deactivated, and you will be able to activate iSpring Suite on another computer.' At the bottom, there are four buttons: '< Back', 'Next >', 'Cancel', and 'Help'.

4. Enter your new license key and click **Next**.

The screenshot shows the 'Enter Registration Details' window of the iSpring Suite Activation Wizard. The window has a title bar with the iSpring logo and a close button. The main content area has a header 'Enter Registration Details' with a key icon and a subtitle 'These registration details will be displayed in your iSpring product'. Below the header, there is a text prompt 'Paste your license key to activate iSpring Suite:' followed by a text input field containing a placeholder license key 'YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY-YYYYYY'. To the right of the input field is a link 'Don't have a license key? Purchase Online'. At the bottom, there is a checkbox 'Attempt to activate my license online now' which is checked. At the very bottom, there are four buttons: '< Back', 'Next >', 'Cancel', and 'Help'.
