# iSpring QuizMaker Guide

Welcome to iSpring QuizMaker Guide!

iSpring QuizMaker is a practical tool to design quizzes with drag-n-drop questions, audio, video, and equations. With iSpring QuizMaker, you can easily make interactive quizzes that can be published to any SCORM compliant LMS in Flash or HTML5 format.

Carefully developed by our first-class team of developers, iSpring Quiz Maker features an easy to use, intuitive interface, while providing an industry leading quiz toolbox.

Choose from 11 graded and 12 survey question types to let your learners study in an engaging, entertaining way.
