

Custom Feedback

Default feedback messages can be specified in [Quiz Properties](#). However, it's possible to set a custom feedback message for every question.

To enable custom feedback messages:

1. In the **Questions** pane, select a question you want to apply custom feedback to.
2. In the **Feedback and Branching** tab, choose the feedback type: **None**, **Default**, **By Question**, **By Answer**.

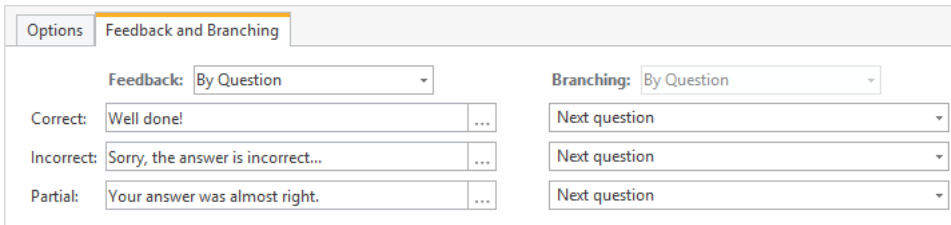

None - no feedback is displayed to the viewer.

Default - default info specified in the Question Defaults area of the Quiz Properties is displayed to the viewer

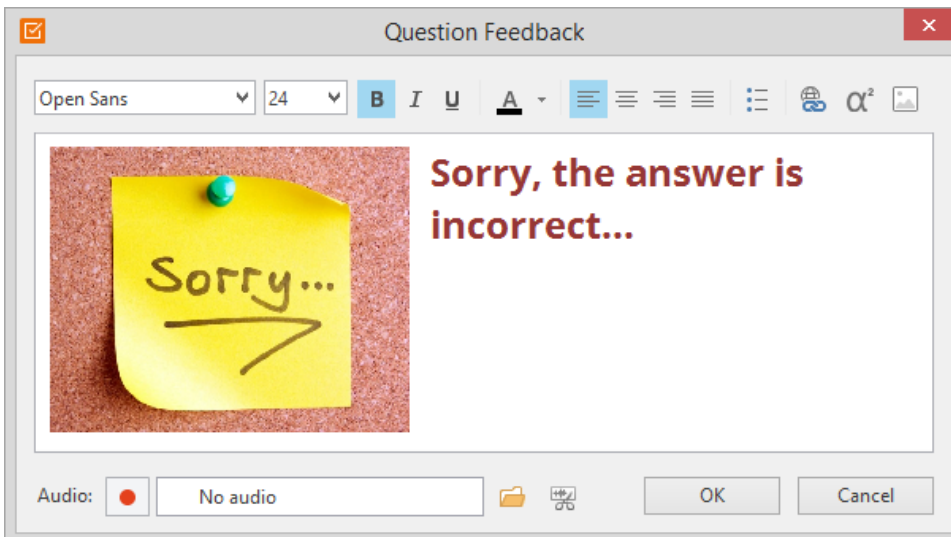

By Question - feedback that you specified for each particular question in the Correct, Incorrect, Partially correct area.

By Answer - add a custom feedback for a particular answer.

3. Edit the feedback text in the corresponding field for the entire question or click the  **Edit Feedback** button next to a feedback message.

4. Next, you can edit the message in the popup window. This way, you can add detailed feedback messages.
Moreover, you can customize **font**, **size**, **style** and **color** of your feedback messages; add **hyperlinks**, **bullets** and **indents**, insert or record **audio**, add **equations** or **images**.

That's how your feedback appears in the quiz.

Question 1 of 1 ▾

Point Value: 10 | Total Points: 0 out of 10

Put the names of the US presidents according to the times of their presidency from the earliest to the latest using drag and drop:

1. Thomas Jefferson

2. Abrah

3. Frank

4. Georg

Incorrect ▾

Sorry, the answer is incorrect...

Finish

You can go to the [Player](#) options to specify the top panel color of the feedback box.

The screenshot displays the iSpring QuizMaker interface. On the left, the 'COLORS' customization panel is open, showing a 'Color scheme' dropdown set to 'Custom scheme'. Below this, a table lists various objects and their corresponding colors:

Object	Color
Background	Brown
Text	White
Hover background	Brown
Hover text	White
Feedback Title	
Text	White
Correct background	Green
Incorrect background	Red
Partially correct background	Orange
Answered background	Yellow
Controls	
Radio Buttons/Checkboxes	Brown
Hotspot Markers	Orange
Controls Highlight	
Radio buttons/Checkboxes	Orange
Buttons/Menus	Yellow

At the bottom of the panel, there is a checkbox labeled 'Make player transparent' which is currently unchecked.

The main quiz area on the right shows 'Question 1 of 1' with a point value of 10. The question text is: 'Put the names of the US presidents according to the times of their presidency from the earliest to the latest using drag and drop:'. Below the question, there are four input fields. The first field contains 'Abraham Lincoln'. A feedback box is overlaid on the interface, indicating an 'Incorrect' answer. The feedback box contains a yellow sticky note with the text 'Sorry...' and an arrow pointing to the right, and a message that says 'Sorry, the answer is incorrect...'. A 'View Results' button is located at the bottom right of the quiz area.
