

Changing License Key or Registration Info

To enter another license key or change the registration information please perform the following steps:

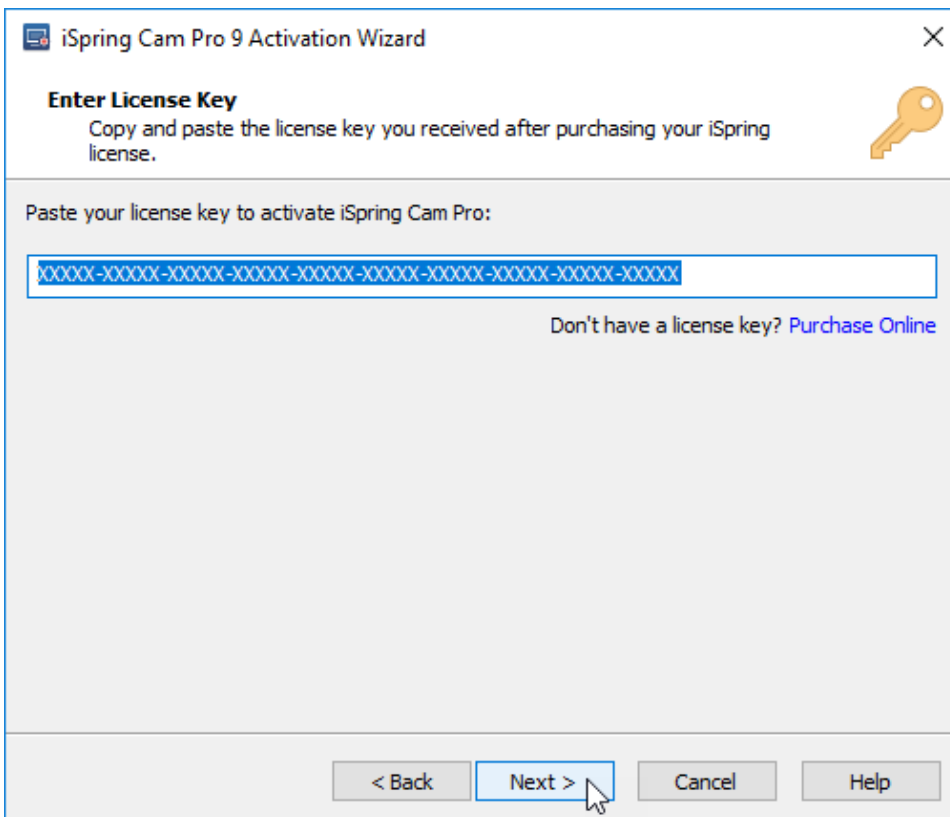

1. In the **Help** tab open the **About** window and click **Change License Key**.

2. Choose **Enter another license key or registration info**. Click **Next**.

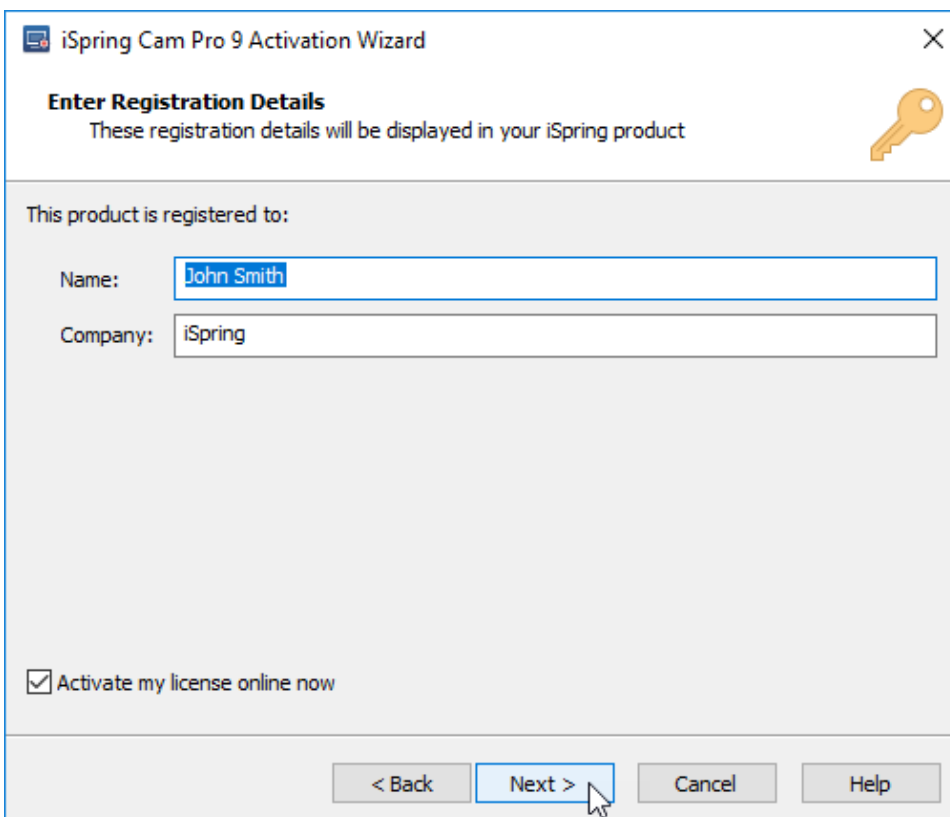

3. Then, enter your new license key and click **Next**.

The screenshot shows the 'iSpring Cam Pro 9 Activation Wizard' window. The title bar includes a close button (X). The main heading is 'Enter License Key' with a sub-instruction: 'Copy and paste the license key you received after purchasing your iSpring license.' A yellow key icon is in the top right. Below the instruction, it says 'Paste your license key to activate iSpring Cam Pro:' followed by a text input field containing a placeholder license key: 'XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX-XXXXX'. To the right of the field is a link: 'Don't have a license key? [Purchase Online](#)'. At the bottom, there are four buttons: '< Back', 'Next >', 'Cancel', and 'Help'. A mouse cursor is pointing at the 'Next >' button.

4. Finally, enter the new name and company name and click **Next**.

The screenshot shows the 'iSpring Cam Pro 9 Activation Wizard' window at the 'Enter Registration Details' step. The title bar includes a close button (X). The main heading is 'Enter Registration Details' with a sub-instruction: 'These registration details will be displayed in your iSpring product'. A yellow key icon is in the top right. Below the instruction, it says 'This product is registered to:'. There are two text input fields: 'Name:' with the value 'John Smith' and 'Company:' with the value 'iSpring'. At the bottom left, there is a checked checkbox labeled 'Activate my license online now'. At the bottom, there are four buttons: '< Back', 'Next >', 'Cancel', and 'Help'. A mouse cursor is pointing at the 'Next >' button.

After successful activation the new information will be displayed in the **About** window.
