

Getting to Know iSpring Learn

Signing up for an iSpring Learn account is really easy.

All it takes is visiting the [iSpring Learn](#) page at the iSpring web site, where you can sign up for a trial or set up a full account. The 14-day trial is absolutely fully-functional. We recommend taking advantage of it before starting to use the full version of iSpring Learn.

Note: iSpring Learn is tightly integrated with the latest iSpring products for rich media and e-Learning content authoring:

- [iSpring Suite](#) — develop e-Learning content,
- [iSpring QuizMaker](#) — create quizzes and surveys,
- [iSpring Visuals](#) — build powerful interactions,
- [iSpring TalkMaster](#) — make conversation simulations,
- [iSpring Converter Pro](#) — convert PowerPoint into HTML5 and video,
- [iSpring Flip](#) — turn PDF files and PowerPoint presentations into eBooks.

To evaluate all of the iSpring Learn features, please download a trial or purchase either of the above iSpring products.
