Publish from iSpring QuizMaker

Once you have finished editing your quiz, upload it to iSpring Learn, a platform for delivering distance learning to employees and students with online testing and webinars.

Learn how to manually upload a content item to iSpring Learn if your computer is disconnected from the Internet or online publishing doesn't complete because of an antivirus program or a proxy server error.

To publish your quiz to iSpring Learn:

1. Click **Publish** on the iSpring QuizMaker toolbar.
