

User Portal

The User Portal is a collection of additional pages for private viewers to let them browse the entire [list of content](#) available for viewing and look through their [personal activity history](#).

All courses are divided into to do and completed and displayed in the corresponding tabs. Content items listed in the **To Do** tab are required for completion. Administrator can turn on/off user commenting and user history for courses.

The screenshot displays the iSpring User Portal interface. On the left is a dark navigation sidebar with the following items: iSpring logo, user profile for Brian Tarr (brian.tarr@springsolutions...), and menu items: To Do (30), Optional (2), Completed (18), Events, Achievements, Catalog, and Messages. The main content area is titled 'To Do' and includes a search bar, a 'Sort By: Due date' dropdown, and a notification bell. Below this is a 'Welcome to iSpring Training' message with the instruction 'Choose the content you would like to view.' The main area contains five course cards:

- Biology** (LEARNING PATH): 'Complete chapter 2 before June 5, 2020'. Status: In Progress (0% viewed).
- Space Shuttle Demo_Mar 14 test** (COURSE WITH A QUIZ): 'Complete before April 8'. Status: Not Started.
- Test Course** (LEARNING PATH): 'Overdue since March 23'. Status: In Progress (45% viewed), 2 (2 new).
- Directory Interaction** (COURSE): 'Paid Course (\$697.00 USD)'. Status: 5.
