

Changing Background Style

You can keep the theme background or customize it. By customizing the question slides background, you can add a unique look to your quiz that reflects your personal style.

To change the pre-formatted background of a slide:

- Click the **Format Background** button on the ribbon.

For the background of a quiz, you can specify the following:

- [Solid Fill](#)
- [Gradient Fill](#)
- [Texture Fill](#)
- [Picture Fill](#)
