

# Creating Longread

To add a new longread, open your course, select the **Outline** tab, click **Add** and choose **Longread**.

The screenshot shows the 'Edit Course' interface for a course titled 'Sales Onboarding'. The page has a header with a back arrow, the text 'Edit Course', and icons for email, notifications, and a user profile. Below the header, the course title 'Sales Onboarding' is displayed with the subtitle 'Course'. A navigation bar contains tabs for 'Outline', 'General', 'Notifications', 'Availability', and 'More'. The 'Outline' tab is selected. Below the navigation bar, there is a 'List of course materials' section with a 'Course Settings' button and a green '+ Add' button. A modal menu is open, showing options: 'Section', 'Longread', 'Web Link', 'Assignment', 'Upload', and 'Copy'. The 'Longread' option is highlighted with a mouse cursor. To the left of the modal, the text 'Part 1' and 'First Part of the' is visible.
