

Billing

Only *Account Owner* has access to billing settings.

Under the **Billing** tab, you can:

- Check details of your iSpring Learn plan: its type, expiration date, the maximum possible number of users;
- See how many active users are in the account;
- Find out how many content items were added to the account;
- Upgrade to a new plan;
- Request an individual offer from [iSpring Sales Department](#).

The screenshot shows the iSpring Learn interface. On the left is a dark sidebar with navigation options: Dashboard, Courses, Reports, Events, Users, Course Questions, and Settings (highlighted). The main content area is titled 'Settings' and has a sub-tab 'Billing' selected. The Billing tab contains a message: 'On this page, you can view the details of your current iSpring Learn plan and upgrade your account.' Below this is a section titled 'Your Current iSpring Learn Plan' with a table of account details:
