

# iSpring Learn Rate Plans

We offer [several rate plans](#) for iSpring Learn. Depending on your needs, you may find one of our iSpring Learn plans to be more appropriate for your requirements. These plans differ by:

- Number of active users
- Number of authoring tools (iSpring Suite is always included into the package),
- Level of support provided,
- Availability of the [single sign-on](#) feature.

If the number of users in your account exceeds 500, contact [iSpring Sales Department](#). Our sales reps will make you the most favourable price offer.

iSpring pricing plans can be started or cancelled at any time and have NO setup or termination fees.
