

# List

The information is easier perceived and better memorized when it's delivered in the form of lists. To add a list to the longread, click  and select **List**.

Chapter 1 of 3

## A Step-by-Step Walkthrough

You can convert any PDF to SCORM with a special tool. For example, you may use the iSpring Suite authoring toolkit. Download and install the iSpring software if you still don't have it.

The screenshot shows a toolbar with six icons: a list icon (selected), an image icon, a video icon, an embed icon, a quote icon, and an exercise icon. Below each icon is its corresponding label: List, Image, Video, Embed, Statement, and Exercise. A mouse cursor is pointing at the 'List' button.

Now you can organize your text as a bullet list. Write some text next to a bullet and press **Enter** on the keyboard to move to a new point. As you decide to finish the list, simply press **Enter** without typing any text against the bullet.

Chapter 1 of 3

## A Step-by-Step Walkthrough

You can convert any PDF to SCORM with a special tool. For example, you may use the iSpring Suite authoring toolkit. Download and install the iSpring software if you still don't have it.

- Open iSpring Suite and choose the Books tab. Select the Browse button or choose PDF in the Create From section to open your document.
- Click on Preview and select a device and screen orientation to see how it'll look on a desktop, a smartphone, and a tablet.
