

Navigation over Longread

You can specify the order in which your learners will take the longread, turn on the chapters numeration, and enable a button that takes readers to a new chapter.

To start managing navigation settings of a longread, click the **Settings** link at top right corner and choose the **Navigation** tab.

- [Navigation Mode](#)
- [Chapter Numbering](#)
- [Next Chapter Button](#)

LONGREAD

How to Convert a PDF file to a SCORM Package in a Few Clicks

Theme **Navigation**

Navigation Mode

Choose how users will navigate your longread.

 **Restricted**
Chapters open up one by one while learners complete the longread.

 **Free**
Users may navigate all chapters in any order.

Chapter Numbering On

Display current chapter number

Button to move to the next chapter On

Display a button at the end of each chapter to move to the next one

Navigation Mode

Specify whether your users will have to take longread chapters one after one or randomly.

Navigation Mode

Choose how users will navigate your longread.

Restricted

Chapters open up one by one while learners complete the longread.

Free

Users may navigate all chapters in any order. 

Chapter Numbering

Turn on and turn off chapter numbering by dragging the slider.

Chapter Numbering

Display current chapter number

That's how chapters list looks like with numbering enabled:

Chapter 1 of 4

A Step-by-Step Walkthrough

You can convert any PDF to SCORM with a special tool. For example, you may use the iSpring Suite authoring toolkit. Download and install the iSpring software if you still don't have it.

And if numbering is turned off, it looks like this:

A Step-by-Step Walkthrough

You can convert any PDF to SCORM with a special tool. For example, you may use the iSpring Suite authoring toolkit. Download and install the iSpring software if you still don't have it.

Next Chapter Button

Add a button to move to a next chapter at the end of a previous chapter with the help of this slider.

Button to move to the next chapter

Display a button at the end of each chapter to move to the next one

If the option is on, the chapter looks like this:

Chapter 2: The What, Why and How of Using SCORM in eLearning
