

Try iSpring Cloud

To create your iSpring Cloud account:

1. Type in your email address on the [iSpring Cloud](#) page. You will receive an *account activation link* to the submitted e-mail.
2. Click **Activate account** in the email.
3. Fill out the authorization form.
4. Click **Activate My Account** to sign in to your account.

The image shows a screenshot of the iSpring Cloud account activation form. At the top, the iSpring Cloud logo is displayed. Below the logo, the text "Welcome to iSpring Cloud" is centered. The form contains five input fields: "First Name*", "Last Name*", "Password*", "Confirm Password*", and "Phone*". Below these fields, there is a line of text: "By clicking you agree to the [Terms and Conditions](#)". At the bottom of the form, there is a prominent blue button labeled "Activate My Account".

Once registered, you get access to the fully functional **Pro** version free for **14 days**. With this free version, you can upload and share up to 100 presentations, videos, images, and documents.

If you want to apply for a **Business account**, go to [this page](#) and follow the steps above. [Here](#) you can find more information about the main differences between Pro and Business plans.

i Important:

1. PDF files cannot be uploaded to the trial version of iSpring Cloud.
2. A Business version of iSpring Cloud can include multiple users who will manage all uploaded content. However, you will need to pay separately for every new user.

To find out how many users are included in your plan, go to the **Settings** section and select the **Billing** tab.

The screenshot displays the iSpring Cloud interface. On the left is a dark sidebar with navigation options: Content, Tracking, People, and Settings. The main content area is titled 'Billing Information' and has three tabs: Account, Profile, and Billing. Below the tabs, a message states: 'On this page, you can view details of your current iSpring Cloud plan, upgrade and renew your subscription.' The 'Billing Information' section shows: 'Your current plan: Business', 'Expires: 04/30/2020' with a progress bar, and 'Number of Users: 1 / 100' with a progress bar. An orange box highlights the 'Number of Users' field. A blue 'Upgrade' button is located to the right of the user count. At the bottom, there is a link to 'contact us' and the website 'ispringsolutions.com'.

If you want to add extra users to your iSpring Cloud account, [contact us](#), and our sales manager will provide you with a quote.
