Once you've tried out iSpring Learn, you may want to have a look at the current pricing plans listed on the [Pricing](#) page. These plans vary in the number of users you can add to your account, the number of authoring tools you are allowed to use, the level of support provided, and availability of the [single sign-on](#) feature.

You can upgrade your trial or swap to another membership plan under the [Billing](#) tab in the **Settings** section of your account.
