

Changing a Quiz Type

You can convert a graded quiz to a survey, if you haven't added graded questions to it yet. And it's always possible to convert a survey to a graded quiz. To change a quiz type:

1. On the product toolbar, click the **Properties** button.

2. Change the quiz type using the corresponding radio buttons: **Graded** and **Survey**.
3. Click **OK** to apply the changes.
