

# Messages

With the private messaging option, users and administrators of iSpring Learn can ask and answer questions about a course or share their impressions.

*Account Owner, Account Administrators, Department Administrators* can message any user in the LMS.

Learners can respond to all messages and also can send their messages to:

- *Account Owner,*
- *Account Administrators,*
- *Departments Administrator* of their department,
- *Authors* who manage their department.

If there's an **expert** assigned to a course, learners can send their questions to them.
