

Getting Department Info

Request: **GET /department/{departmentId}**

Permissions to Run the Request

Account Owner, Account Administrators, Department Administrators, Publishers, or [custom roles](#).

Department Administrators, Publishers, and users with a custom role can get information only on the department they manage and its enclosed departments.

Request Headers

Parameter	Description
X-Auth-Account-Url (required)	The base URL of the account, e.g. http://myaccount.ispringlearn.com
X-Auth-Email (required)	The login of <i>Account Owner, Administrator, Department Administrator, Publisher</i> , or a user with a custom role.
X-Auth-Password (required)	The password of <i>Account Owner, Administrator, Department Administrator, Publisher</i> , or a user with a custom role.

Possible Response Codes

Code	Text	Description
200	Successful operation	The request was successfully processed. The response code contains xml info on the department.
400	Bad Request	A request error.
401	Unauthorized	An authorization error.
403	Permission Denied	The user doesn't have enough permissions to get information on the department.
