

# Dashboard

The **Dashboard** is the first page you will see after you sign in to your iSpring Learn account.

The screenshot shows the iSpring Learn Dashboard. On the left is a dark sidebar with navigation links: Dashboard, Courses, Reports, Events, Users, Knowledge Base, Course Questions, and Settings. The main content area has a top header with the iSpring Learn logo, the word 'Dashboard', and icons for email, notifications, and a user profile. Below the header are several widgets: a summary card with '50 courses', '11 users', '10 groups', and '3 logins per period'; a '1 course request' widget; a 'Ready for evaluation' widget with '1 answer is ready for evaluation' and a 'Full Report' button; and a 'Newest Content' widget with a table of content items.

Content	Date	Author
Sales Onboarding Prog...	Feb 3,...	Nick Moore
Quiz	Jan 2...	Nick Moore

On this page, you can view the brief statistics on the activity in your account:

- How many content items have been uploaded,
- How many users have been registered in the LMS,
- How many groups have been created,
- How many times users logged in to the account during the 1-month pay period.

Also, on this page, you can check the following types of quick reports:

- **Ready for evaluation** — a list of homework assignments that your students sent for review.
- **Newest Content** — information about the five newest content items uploaded by publishers and administrators last week.
