

Updating a Department

Request: **POST** /department/{departmentId}

Permissions to Run the Request

Account Owner, *Account Administrators*, *Department Administrators*, or [custom roles](#).

Department Administrators and users with a custom role can update only the department they manage and its sub-departments.

Request Headers

Header	Description
X-Auth-Account-Url (required)	The base URL of the account, e.g. http://myaccount.ispringlearn.com
X-Auth-Email (required)	The login of <i>Account Owner</i> , <i>Account Administrator</i> , <i>Department Administrator</i> , or a user with a custom role.
X-Auth-Password (required)	The password of <i>Account Owner</i> , <i>Account Administrator</i> , <i>Department Administrator</i> , or a user with a custom role.
Parameter	Description
departmentId (required)	The ID of a department you want to edit.
name (optional)	The department name.
parentDepartmentId (optional)	The ID of the parent department.
code (optional)	The department code.

Response Codes

Code	Text	Description
200	Successful operation	The parameter is successfully updated.
400	Bad Request	A request error.
401	Unauthorized	An authorization error.
403	Permission denied	The user doesn't have enough permissions to update a department. For instance, <i>Department Administrators</i> can't edit departments they don't manage.
