The image shows a software dialog box titled "iSpring Suite Activation Wizard". The window has a standard Windows-style title bar with a close button (X) in the top right corner. The main content area is titled "Enter Registration Details" and includes a sub-header: "These registration details will be displayed in your iSpring product". To the right of this text is a small icon of a key with a green checkmark. Below the header, the text "This product is registered to:" is followed by two text input fields. The first field is labeled "Name:" and contains the text "John Smith". The second field is labeled "Company:" and contains the text "iSpring". At the bottom left of the main area, there is a checked checkbox with the label "Attempt to activate my license online now". At the bottom of the dialog, there are four buttons: "< Back", "Next >", "Cancel", and "Help". The "< Back" button is highlighted with a blue dashed border.

After successful activation the new information will be displayed in the **About** window.
