

# Activating iSpring QuizMaker License

To start using iSpring QuizMaker without the trial period limitations you need to obtain a product license and activate it:

1. In the **Help** tab of the product toolbar click the **Activate** button to launch the iSpring QuizMaker Activation Wizard.

2. If you already have the iSpring QuizMaker license, enter your license key and click **Next** to proceed with entering **Registration Details**. To purchase the iSpring QuizMaker license, click **Purchase Online**.

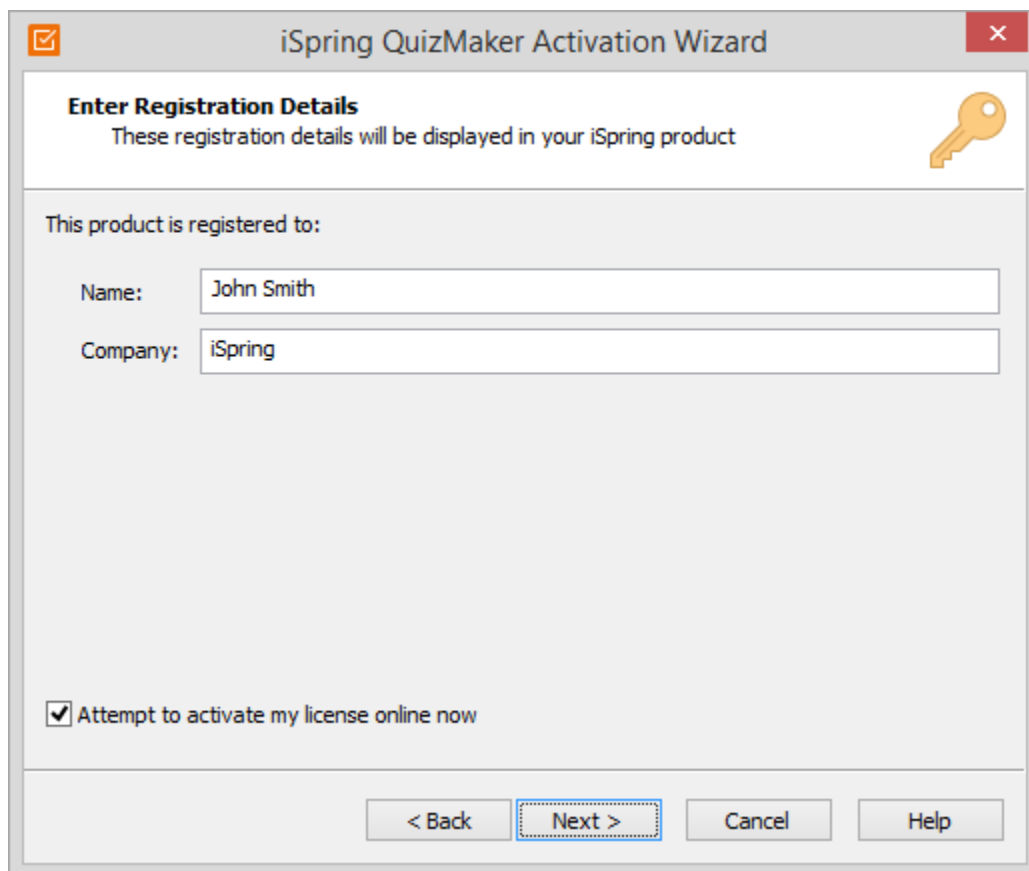

3. At the next step, you can specify the user's name and the company name. This information will be displayed in the **About** window of iSpring QuizMaker.

After you complete steps 1,2,3, you can choose whether to activate your license online or offline.

## Online Activation

The fastest way to activate the license is to go through the online activation procedure. To do it, keep the **Attempt to activate my license online now** option checked and click **Next**. Online activation requires an active Internet connection. It usually takes just a few seconds to complete the online activation process.

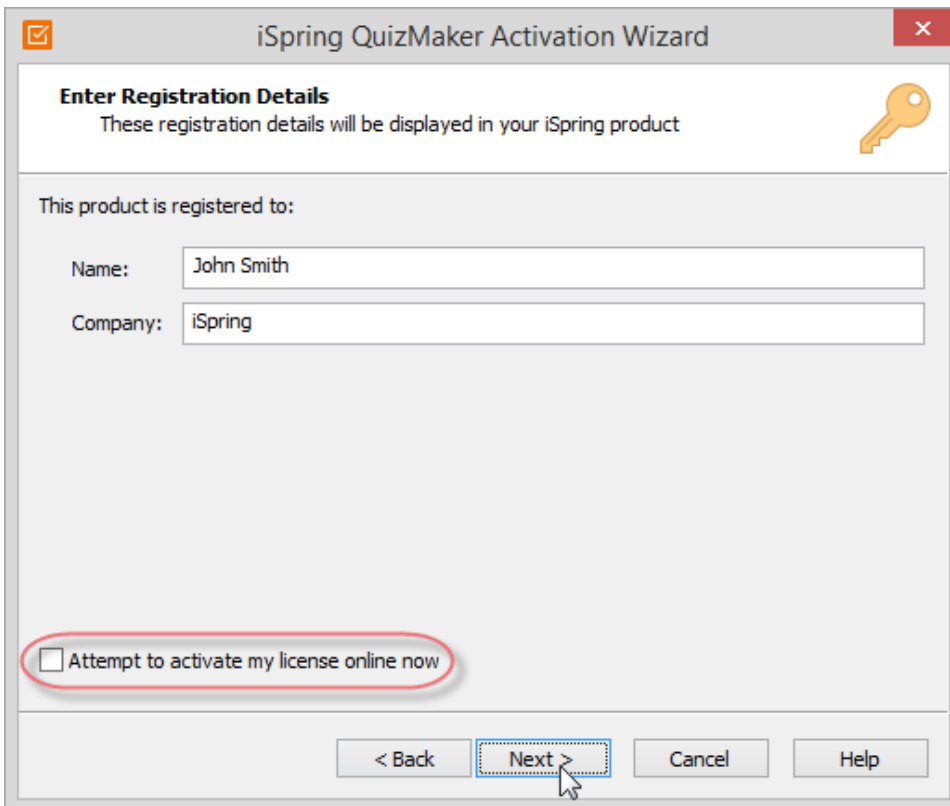

The image shows a Windows-style dialog box titled "iSpring QuizMaker Activation Wizard". The title bar includes a checkmark icon on the left and a close button (X) on the right. The main content area is titled "Enter Registration Details" and includes the instruction "These registration details will be displayed in your iSpring product" next to a key icon. Below this, it says "This product is registered to:" followed by two text input fields: "Name:" with the value "John Smith" and "Company:" with the value "iSpring". At the bottom of the main area, there is a checked checkbox labeled "Attempt to activate my license online now". The bottom of the dialog features four buttons: "< Back", "Next >" (which is highlighted with a dashed border), "Cancel", and "Help".

After successful activation, you will see the number of remaining activations and the total amount of the allowed activations for your license.

## Manual Offline Activation

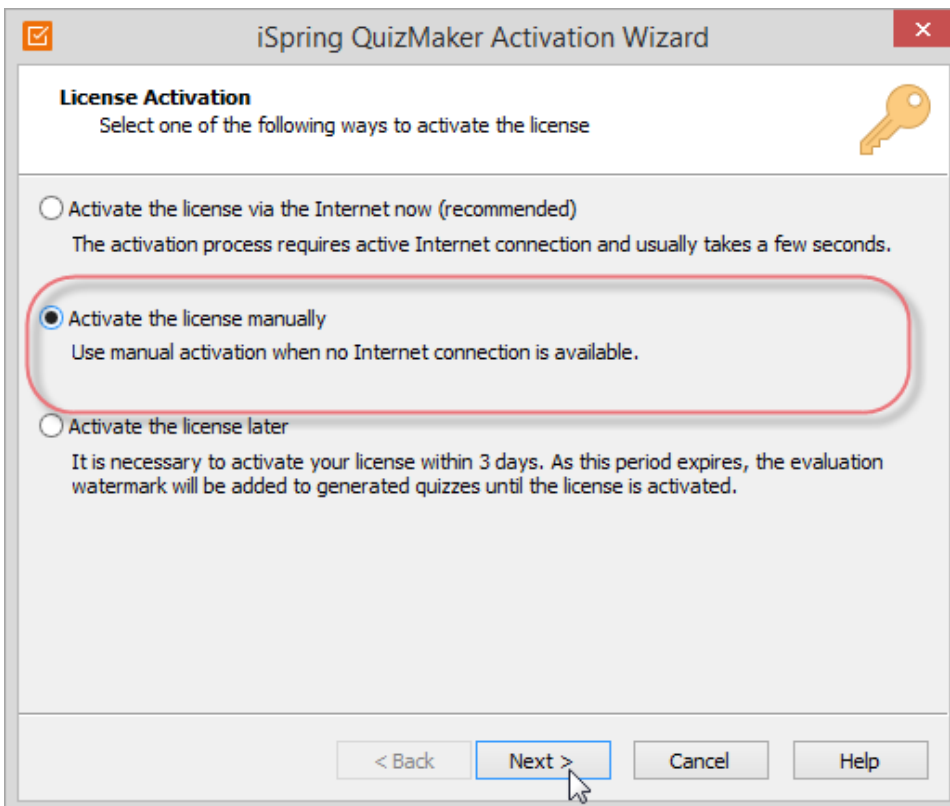

To perform offline activation:

1. Clear the **Attempt to activate my license online now** checkbox, enter your registration information and click **Next**.

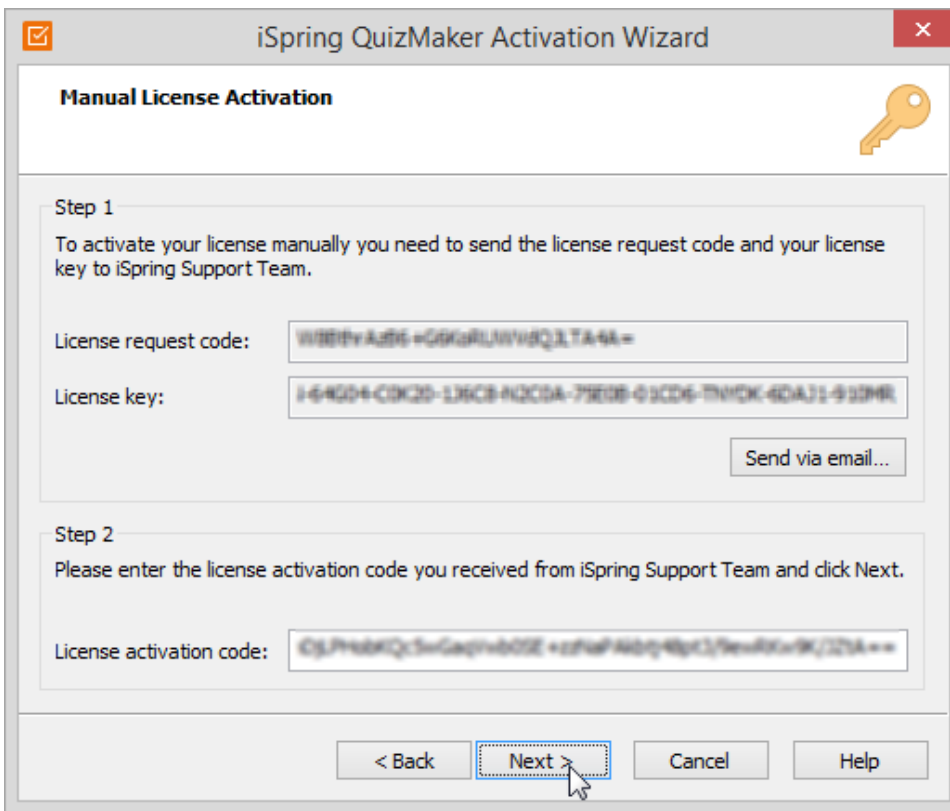

The screenshot shows the 'iSpring QuizMaker Activation Wizard' window. The title bar includes a checkmark icon and a close button. The main heading is 'Enter Registration Details' with a subtext: 'These registration details will be displayed in your iSpring product'. A key icon is in the top right. Below, it says 'This product is registered to:' followed by two text boxes: 'Name: John Smith' and 'Company: iSpring'. At the bottom, there is a checkbox labeled 'Attempt to activate my license online now' which is currently unchecked and highlighted with a red oval. Navigation buttons at the bottom are '< Back', 'Next >', 'Cancel', and 'Help'. The 'Next >' button is highlighted with a blue dashed border and a mouse cursor is pointing at it.

2. Choose **Activate the license manually** and click **Next**.

The screenshot shows the 'iSpring QuizMaker Activation Wizard' window at the 'License Activation' step. The title bar includes a checkmark icon and a close button. The main heading is 'License Activation' with a subtext: 'Select one of the following ways to activate the license'. A key icon is in the top right. There are three radio button options: 'Activate the license via the Internet now (recommended)' with a description 'The activation process requires active Internet connection and usually takes a few seconds.'; 'Activate the license manually' which is selected and highlighted with a red oval, with a description 'Use manual activation when no Internet connection is available.'; and 'Activate the license later' with a description 'It is necessary to activate your license within 3 days. As this period expires, the evaluation watermark will be added to generated quizzes until the license is activated.' Navigation buttons at the bottom are '< Back', 'Next >', 'Cancel', and 'Help'. The 'Next >' button is highlighted with a blue dashed border and a mouse cursor is pointing at it.

3. Send a license activation request with your License request code and License key via email to the Support Team. After you receive a License activation code from the iSpring Support Team, paste it into the corresponding field and click **Next**. Manual activation requests are usually processed within one business day.

The image shows a software window titled "iSpring QuizMaker Activation Wizard" with a sub-header "Manual License Activation" and a key icon. It is divided into two steps. Step 1, "Manual License Activation", contains instructions to send a license request code and key to support. It features two text input fields: "License request code:" with the value "W188BvA2B6+G9KwRlUwVvIQJLTA4A=" and "License key:" with the value "I+6N5D4+CBK2D-1J6CB+QZCDA-79E2B-0j3CD6-TN1DK-6DAJ1-9j2HR". A "Send via email..." button is located to the right of the license key field. Step 2, "Please enter the license activation code you received from iSpring Support Team and click Next.", contains a "License activation code:" field with the value "Cj3.P7e6kQz3wGwqV+b0SE+zfWfABDq4BpCj7ew4Rv=9Kj22A==". At the bottom, there are four buttons: "< Back", "Next >" (highlighted with a dashed border and a mouse cursor), "Cancel", and "Help".

Activation process should be complete within 3 days after you entered the license key. If the license is not activated within this period, an evaluation watermark will be added to your quizzes.

The license activation binds the product to a given computer and its operating system. As the number of the allowed activations is limited, you should [deactivate a previously activated license](#) in case you want to reinstall the operating system or activate the license on another computer. This way you will not lose your activations.
