Use this page to change the name and URL of your account and other settings. Save

Account Name

Changing your Account URL will require all the publishers to change their publish settings in iSpring products. It will automatically replace the iSpring Learn publishers login URL. Your content items will be preserved, but their links will be changed according to your new Account URL.

Account Name:
The account name is used to identify your iSpring Learn account.

Account URL: .ispringlearn.com

To add a domain alias, please [contact iSpring Learn Tech Support](#)
