

Achievements

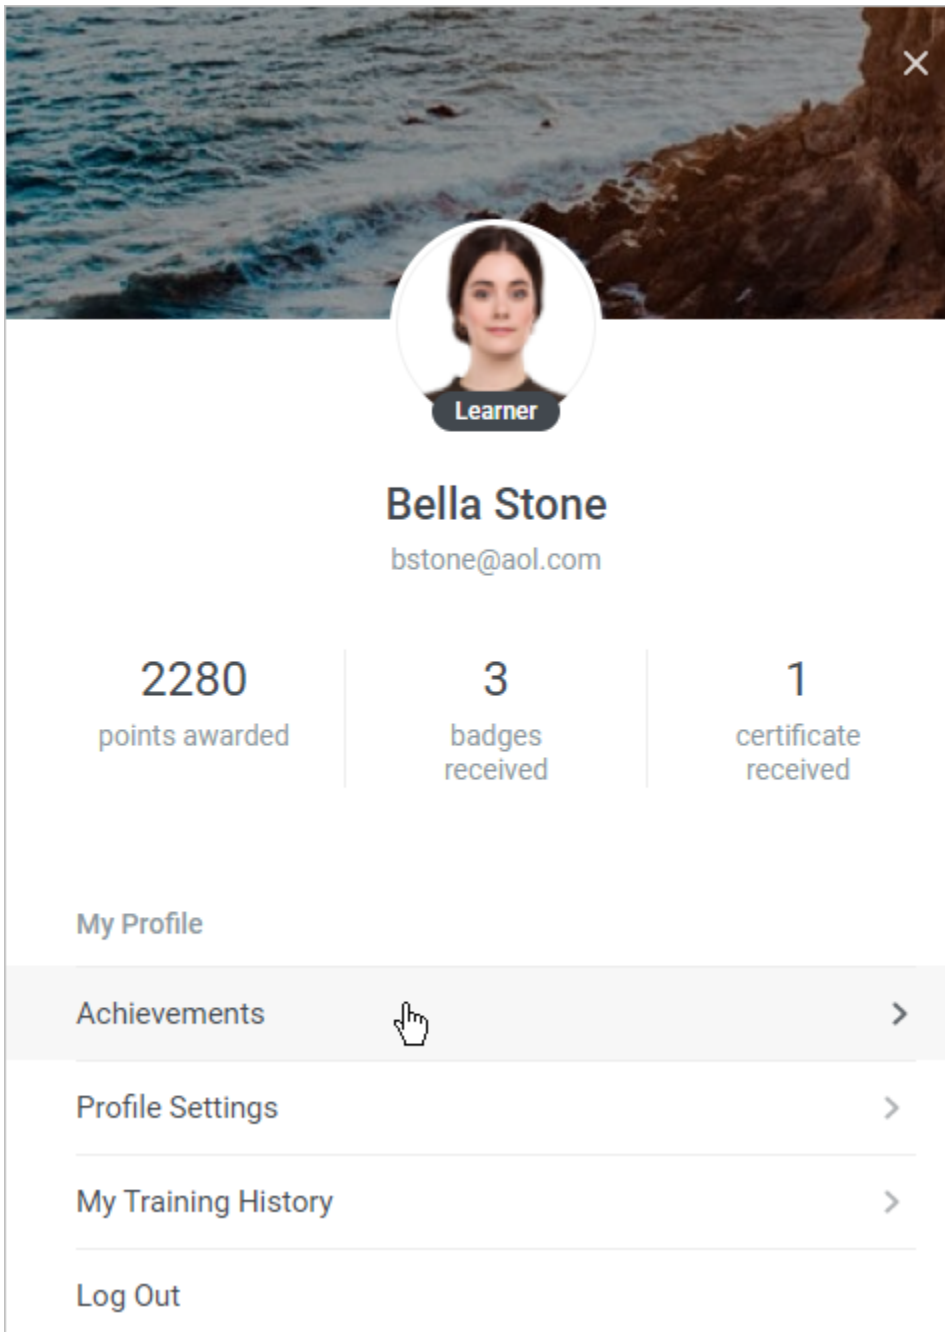

In the **Achievements** section, users can view all badges and certificates that they received, check their rank in the leaderboard and the number of points they have earned.

To proceed to the section:

1. Click on the photo at the top right corner.

2. In the opened sidebar, select the **Achievements** section.

The image shows a user profile card for Bella Stone. At the top is a circular profile picture of a woman with dark hair, labeled 'Learner'. Below the picture is the name 'Bella Stone' and the email address 'bstone@aol.com'. The card displays three statistics: 2280 points awarded, 3 badges received, and 1 certificate received. A sidebar menu is visible at the bottom, with 'Achievements' highlighted and a hand cursor pointing to it. Other menu items include 'My Profile', 'Profile Settings', 'My Training History', and 'Log Out'.

Leaderboard

Under the **Leaderboard** tab, employees can assess their progress respective to other department users. The more points a student earned, the higher is their rank in the leaderboard.

Summary	Leaderboard	Points	Badges	Certificates	Settings
 Rank: 1					
User		Points	Badges		
  Bella Stone		 2280	 3		
  Christine Becker		 400	 1		

Points

Users can earn points for viewing and passing courses. The number of awarded points can be set either in the [gamification settings](#) or in the [properties](#) of each course.

Summary	Leaderboard	Points	Badges	Certificates	Settings
Date	Awarded for			Points	
Mar 20, 2020	What is Digital Marketing?			 +100	
Feb 16, 2020	The student made outstanding progress and achieve...			 +500	
Feb 11, 2020	What is Social Media Marketing?			 +100	
Feb 11, 2020	What is Digital Marketing?			 +100	

 The administrator can [award users with points](#) and deduct them.

Badges

Users are awarded badges for courses they complete and points they earn. You can set up conditions for awarding badges in the [Gamification](#) settings.
