Course Outline

Courses in iSpring Learn have the following outline:

- Course
- Section
- Content item

A section of a course may include content in the following formats:

- ontent created with iSpring software products
- SCORM 1.2/2004 packages
- Video (flv, mp4)
- Audio (.mp3)
- Documents (PDF, DOC, XLS, PPT)
- Freeform assignments
- Weblinks
- Pages

Administrators see a turn-key course and its outline like this:

And that's how a course looks like from the learners' point of view:
