

Deleting a Department

AVAILABLE WITH BUSINESS SUBSCRIPTION

Request: **DELETE** /department/{departmentId}

Permissions to Run the Request

Account Owner, Account Administrators, Department Administrators, or [custom roles](#).

Department Administrators, and users with a custom role can get information only on the department they manage and its enclosed departments.

You can't delete a department if:

- it contains users,
- it is managed by *Department Administrator* or *Author*,
- it is the root one.

Request Headers
