

# Previewing a Quiz

You can easily preview the entire quiz or survey. Additionally, you have an option to preview a particular question or a question group.

To preview your quiz, click the down arrow on the Preview button and choose one of the available options:

- **Preview Question**
- **Preview Group**
- **Preview Quiz**

You can right-click a question or a group in the question list and choose **Preview Question** or **Preview Group** from the menu.

The selected question, group or the entire quiz preview will open in a new window.
