# Publish Presentation to CD

To save a published presentation to a folder on a local computer or to a network share to be recorded to a compact disc, follow the **Publish to CD** instructions.

To publish a presentation to a local computer or network share:

1. Type a name for your output presentation in the **Presentation title** field.
2. Specify a local folder or a network share to which you want to save the presentation in the **Local folder** field:
   - Type a path to the destination folder manually, or
   - Click the **Browse** button on the right of Local folder field, browse for the folder, select it and click **OK**.
3. Click the **Publish** button to publish your presentation

When the Publish process is complete, a new window that shows a preview of your presentation will open.
