

Intro Slide

An intro or introduction slide is the first slide of your quiz. The aim of the intro is to grab your quiz takers attention and give them an overview of what's to come. Your intro slide can contain training instructions, your company profile or any other information you consider relevant. There can only be one intro slide in a quiz. It always appears on top in the list of questions.

The screenshot shows the quiz editor interface. On the left is a 'Questions' sidebar with a search bar and a list of questions. The first question, 'Welcome to the The Day of the America...', is highlighted and labeled as an 'Intro Slide'. The main area is titled 'Intro Slide' and contains a checked 'Display slide' checkbox (circled in red), a header text 'Welcome to the The Day of the American Constitution and Citizenship', and a description text 'Click the "Start Quiz" button to proceed'. On the right, there are tabs for 'Picture', 'Audio', and 'Video', with the 'Picture' tab active, showing an image of the American flag and icons for settings, folder, and delete.

To add details to the intro slide:

1. Choose **Intro Slide** in the list of questions.
2. Type a header and a description of the introduction.
3. Customize the look and feel of the intro slide in **Slide View**.
4. [Add media](#), if necessary.
