

# Navigating over Groups

There are following ways to navigate over groups available in iSpring Learn.

- [Sorting Groups](#)
- [Searching Groups in List](#)

## Sorting Groups

Sort groups by title (they will be displayed in the alphabetical order or vice versa) and by the number of users. To do this, click the title of the corresponding column. A little black arrow will show in which direction groups are sorted.

<input type="checkbox"/>	Title ↑	Users
<input type="checkbox"/>	Business Services	8
<input type="checkbox"/>	Direct Sales	7
<input type="checkbox"/>	Interns	9
<input type="checkbox"/>	SMM	8

## Searching Groups in List

To search by the group name, use the search bar above the list. To clear the search bar, click the cross.

<input type="checkbox"/>	Title ↑	Users
<input type="checkbox"/>	SMM	8
