Getting List of Course Completion Statuses

Request: **GET /content/{content_item_id}/final_statuses**

Permissions to Run the Request

Account Owner, *Account Administrators*, *Department Administrators*, or custom roles.

*Department Administrator*s, and users with a custom role can get statuses only of the users belonging to the departments they manage and their sub-departments.

Request Headers

Parameter	Description
Authorization (required)	Access token. You can obtain a token by making a request.

Possible Response Codes

Code	Text	Description
200	OK	The request has been processed successfully.
404	Unknown content item	Can't find the course with the specified ID.
403	Permission denied	The user is not allowed to handle the requested action (not enough permissions).

Sample Request

```
GET /content/123/final_statuses https/1.1
Host: api-learn.ispringlearn.com
Authorization: p-1sJDjmULL5DdpXPJTcbm4jVIaWVHvNmrjAxATRbNE
```

Sample Response

```
https/1.1 200 OK
