

Assignment Details

The report shows how your learners go through homework assignments. You will see all users' attempts to pass the assignment and how those attempts were rated.

To run a report on an assignment:

- 1. Proceed to the [Learner Results](#) report.

ACCEPTED

Completion Score: 90% / 100% (Passing score: 80 %)

Great!

Note:

- If you cancel an enrollment that has already been passed and re-assign the assignment to the learner, the report will only contain the details of the latter enrollment.
