Need to Cancel Your Account?

Before you leave our service, please be informed that once your account is canceled, all your content items, users, groups and statistics will be immediately and permanently deleted.

✘ Please terminate my account (I understand that this cannot be undone)

To upgrade your iSpring Learn account:

1. Go to the Settings section and choose the **Billing** tab. Then, click **Renew Your Account**. You will be directed to the site page with the subscription form.
2. Choose a subscription plan (Starter, Pro or Enterprise).
3. Click the **Proceed to PayPal** button.
4. Type email and password to your PayPal account and click the **Log in** button.
Note: If you don't have a PayPal account, you may also pay with your credit card.
5. You will be asked to review your payment.
6. If everything is correct, click the **Pay** button.
7. Click the **Return to Merchant** button to go back to ispringsolutions.com.

Congratulations, you have successfully upgraded your iSpring Learn account.
