

# Deleting Content

On the **Content List** page, you can delete one or multiple content items.

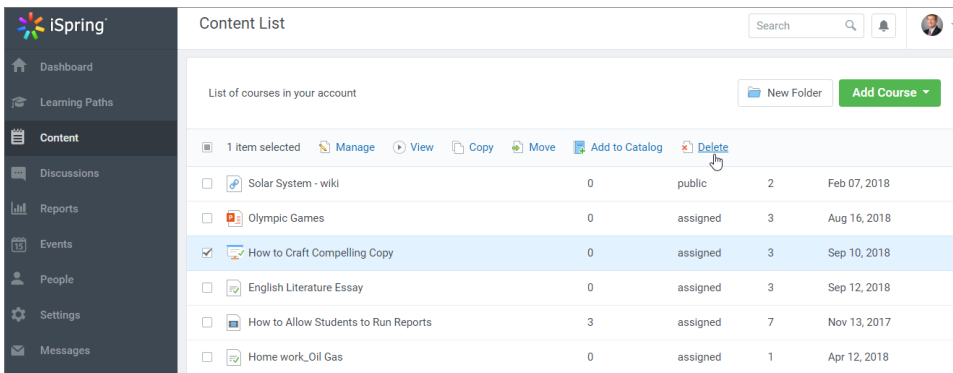

1. Select a course or multiple courses you would like to delete.

The screenshot shows the iSpring Content List page. On the left is a dark sidebar with navigation links: Dashboard, Learning Paths, Content (selected), Discussions, Reports, Events, People, Settings, and Messages. The main area is titled 'Content List' and contains a search bar, a notification bell, and a user profile icon. Below this is a section 'List of courses in your account' with buttons for 'New Folder' and 'Add Course'. A toolbar shows '1 Item selected' and icons for Manage, View, Copy, Move, Add to Catalog, and Delete. A table lists courses with columns for checkboxes, icons, titles, counts, status, and dates. The course 'How to Craft Compelling Copy' is selected, indicated by a checked checkbox and a blue highlight.

2. In the menu that will appear above the content list, click the **Delete** link.

This screenshot is identical to the previous one, but with a mouse cursor hovering over the 'Delete' link in the toolbar. The 'Delete' link is highlighted in blue.

3. In the **Delete Content** window click **Delete**.

4. The course or courses will be deleted from the content list.

Content removal doesn't result in the course statistics removal.
