

Deleting Groups

To delete a user group:

1. Select a group or multiple groups in the list on the **Groups** tab
2. Click the **Delete** link at the top of the list

The screenshot shows the 'People' management interface. At the top, there's a search bar and a user profile icon. Below that, there are tabs for 'Users', 'Groups', 'Organizations', and 'User Profile Fields'. The 'Groups' tab is active. A green 'Add New Group' button is on the right. Below the tabs, there's a section titled 'Groups of your account'. A table lists the groups:

Group Name	Organization	Count	Description
<input checked="" type="checkbox"/> Product Development	iSpring Learning	1	PD department
<input type="checkbox"/> QA	iSpring Learning	0	Test engineers
<input type="checkbox"/> Sales Team	iSpring Learning	2	

At the top of the table, there's a summary bar: '1 item selected' with links for 'Manage', 'Move', and 'Delete'. The 'Delete' link is highlighted with a mouse cursor.

or

1. in the **Edit Group** window, click the **Delete Group** link.
2. Click **OK** in the popup dialog to confirm the deletion.

The screenshot shows the 'Edit Group' dialog box. It has a title bar with 'Edit Group' and a close button. The form contains the following fields:

- Group Name:** Product Development
- Description:** PD department
- Organization:** iSpring Learning (dropdown menu)

Below the organization field, there's a note: 'You can move this group to another organization on the Manage Groups page.'

Members: A list showing 'Users (1)' with the email 'sel-inity@mail.ru' and a close button.

At the bottom, there are three buttons: 'Delete Group' (with a red 'x' icon), 'Save' (green), and 'Cancel' (white).

You will be redirected to the **Groups** page with the updated list of groups. The selected group will be deleted, and you will see a corresponding notification.
