

Billing

On the Settings page, click the **Billing** tab. This page is available only to the owner (creator) of a given iSpring Learn account. The page shows your current account type and its limitations.

The screenshot displays the iSpring Settings interface with the 'Billing' tab selected. The left sidebar contains navigation links: Dashboard, Content, Discussions, Reports, People, and Settings. The main content area shows the following information:

- Plan Type:** 50 Active Users
- Expires:** Apr 4, 2018
- Active Users:** 6 / 50 max
- Content Items:** 5

A green button labeled "Renew Your Account" is located next to the Plan Type. Below the account details, there is a link: [Learn more about active users](#).

If you need more features, you can always upgrade your account:

1. Click the **Renew Your Account** button.
2. Click **Proceed to Checkout** to continue.
3. On the "Sign Up for iSpring Learn" page at iSpring web site, follow instructions to complete the purchase. For more information, see [Buy iSpring Learn](#).
