Changing Account URL

You can change your account URL by sending the POST request to the following URL: **/account/url.**

Permission to run the request: Account Owner, Administrator.

Request Headers

Parameter	Description
X-Auth-Account-Url (required)	Base URL of the account, e.g. http://myaccount.ispringlearn.com
X-Auth-Email (required)	Administrator e-mail address.
X-Auth-Password (required)	Administrator password.
X-Account-Url (required)	New URL for your account.

After the request has been completed, the system returns the response with Code 200.

Possible Response Codes

Code	Text	Description
403	Permission denied	You have no permission to change the account address. Only Account Owner and Administrator have permission to send the request.
403	Url is busy	The specified account URL is already used for another account.
403	Url is internal	The specified account URL is reserved for internal system usage.
400	Bad Request	The system failed to process the request, because it did not contain all necessary parameters.
200	Ok	The account URL has been changed.

Sample Request
