

Supported Content Types

With iSpring Cloud, you can upload and download any type of content.

PDF files can be uploaded **only to the paid version of the service**. A trial version of iSpring Cloud doesn't support PDF documents.

In the table below, you can find all types of files you can view and check statistics for. Tracking is available in the Business accounts.

Content Type	File Format	Upload from
Presentation	-	iSpring Suite/Presenter /Converter Pro/Pro
Presentation with quizzes	-	iSpring Presenter/Suite
Presentation with quizzes (manual upload of the source files)	.ismpkg	Web interface
Quizzes	.quiz	iSpring QuizMaker
Quizzes (manual upload of the source files)	.isqmpkg	Web interface
